ERRATA

Footnote 4 of the March 24, 2004 Memorandum Opinion in the above captioned case reads, in part:

HUD realized actual revenue only if it the sales closed. See Pl.App. 49 at 162-67. During the course of all of HUD's mortgage sales, over 5 percent of the sales closed. Id. at 183.

This language should be corrected by deleting the words “sales closed” after “over 5 percent” and inserting instead: “bidders failed to close on HUD’s mortgage sales over time.” Therefore, footnote 4 should now read, in part:

HUD realized actual revenue only if it the sales closed. See Pl.App. 49 at 162-67. During the course of all of HUD's mortgage sales, over 5 percent of the bidders failed to close on HUD’s mortgage sales over time. Id. at 183.
