DECISION AWARDING ATTORNEYS' FEES AND COSTS¹

On April 25, 2011, Petitioner filed Petitioner's Petition Requesting Approval of Application for Attorneys' Fees and Costs. Petitioner requests **\$7,492.69** in attorneys' fees and costs. Respondent's counsel has indicated that her client will not object to the figures found therein. The court finds this amount to be reasonable.

¹ Because this unpublished decision contains a reasoned explanation for the special master's action in this case, the special master intends to post this unpublished decision on the United States Court of Federal Claims's website, in accordance with the E-Government Act of 2002, Pub. L. No. 107-347, 116 Stat. 2899, 2913 (Dec. 17, 2002). Vaccine Rule 18(b) states that all decisions of the special masters will be made available to the public unless they contain trade secrets or commercial or financial information that is privileged and confidential, or medical or similar information whose disclosure would constitute a clearly unwarranted invasion of privacy. When such a decision is filed, petitioner has 14 days to identify and move to delete such information prior to the document's disclosure. If the special master, upon review, agrees that the identified material fits within the banned categories listed above, the special master shall delete such material from public access.

In accordance with the General Order #9 requirements, petitioner states she incurred no costs to pursue her petition.

The court hereby adopts the unopposed application and awards compensation in the amount set forth therein. The court awards **\$7,492.69**, representing reimbursement for Attorneys' Fees and Costs, in the form of a check made payable jointly to petitioner and attorney Charles E. Lawrence, Jr.

In the absence of a motion for review filed pursuant to RCFC Appendix B, the clerk of the court is directed to enter judgment herewith.²

IT IS SO ORDERED.
