*

Respondent.

*

F. John Caldwell, Sarasota, FL, for petitioner.

Glenn A. MacLeod, Washington, DC, for respondent.

MILLMAN, Special Master

DECISION AWARDING DAMAGES AND ATTORNEYS' FEES AND COSTS¹

On March 9, 2011, the parties filed the attached stipulation, in which they agreed to settle this case on both the issues of damages and attorneys' fees and costs and described the settlement terms. Petitioner alleged that she suffered from Guillain Barre Syndrome ("GBS") following a flu vaccination. Respondent denies that Petitioner's GBS was caused in fact by her flu vaccination. Nonetheless, the parties agreed to settle this matter informally.

In accordance with the General Order #9 requirements, Petitioner states that she incurred no costs to pursue her petition.

¹ Because this unpublished decision contains a reasoned explanation for the special master's action in this case, the special master intends to post this unpublished decision on the United States Court of Federal Claims's website, in accordance with the E-Government Act of 2002, Pub. L. No. 107-347, 116 Stat. 2899, 2913 (Dec. 17, 2002). Vaccine Rule 18(b) states that all decisions of the special masters will be made available to the public unless they contain trade secrets or commercial or financial information that is privileged and confidential, or medical or similar information whose disclosure would constitute a clearly unwarranted invasion of privacy. When such a decision is filed, petitioner has 14 days to identify and move to delete such information prior to the document's disclosure. If the special master, upon review, agrees that the identified material fits within the banned categories listed above, the special master shall delete such material from public access.

The court hereby adopts the parties' stipulation, and awards compensation in the amount and on the terms set forth therein. Pursuant to the stipulation, the court awards a lump sum of **\$300,000.00**, representing compensation for all damages, in the form of a check made payable solely to Petitioner. The court also awards a sum of **\$26,000.00**, representing attorneys' fees and costs, in the form of a check made payable jointly to petitioner and the law firm of Maglio, Christopher & Toale, PA.

In the absence of a motion for review filed pursuant to RCFC Appendix B, the clerk of the court is directed to enter judgment herewith.²

IT IS SO ORDERED.

Dated: March 9, 2011

/s/ Laura D. Millman

Laura D. Millman
Special Master

² Pursuant to Vaccine Rule 11(a), entry of judgment can be expedited by each party's filing a notice renouncing the right to seek review.

No. 09-381V
SPECIAL MASTER
LAURA D. MILLMAN

STIPULATION

The parties hereby stipulate to the following matters:

1. Petitioner filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10 to 34 (the "Vaccine Program"). The petition seeks compensation for injuries allegedly related to petitioner's receipt of the trivalent influenza ("flu") vaccine, which vaccine is contained in the Vaccine Injury Table (the "Table"), 42 C.F.R. § 100.3 (a).
2. Petitioner received her flu immunization on or about December 21, 2007.
3. The vaccine was administered within the United States.
4. Petitioner alleges that she suffered Guillain Barre Syndrome ("GBS"), a peripheral neuropathy, as a consequence of her flu vaccination, and further alleges that she experienced residual effects of this injury for more than six months.
5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on her behalf as a result of her condition.

6. Respondent denies that the flu vaccine caused petitioner to suffer GBS, and further denies that her current disabilities are a sequelae of a vaccine-related injury.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

a. A lump sum of \$300,000.00 in the form of a check payable to petitioner, representing compensation for all damages that would be available under 42 U.S.C. §300aa-15(a); and

b. A lump sum of \$26,000.00 in the form of a check payable to petitioner and petitioner's attorney, F. John Caldwell, Jr., for attorneys' fees and costs available under 42 U.S.C. § 300aa-15(e), and in compliance with General Order #9, no out-of-pocket expenses were incurred by petitioner in proceeding on the petition.

9. Petitioner and her attorney represent that they have identified to respondent all known sources of payment for items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), including State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or entities that provide health services on a pre-paid basis.

10. Payments made pursuant to paragraph 8 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

11. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, the money provided pursuant to this Stipulation will be

used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. §300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

12. In return for the payments described in paragraph 8, petitioner, in her individual capacity and on behalf of her heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature), that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300 aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or alleged to have resulted from, the flu vaccination administered on or about December 21, 2007, as alleged by petitioner in a petition for vaccine compensation filed on or about June 10, 2009, in the United States Court of Federal Claims as petition No. 09-381V.

13. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

14. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

15. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act

or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

16. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that the flu vaccine caused petitioner to suffer GBS or her current disabilities.

17. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns.

END OF STIPULATION

Respectfully submitted,

PETITIONER:

KAREN ENMAN
